### **About the Webinar Series**

Each lunchtime webinar will begin with highlights and general information as to the latest in COVID-19 law as it pertains to you as an employer. Presenters then will focus on a specific topic to give you a more robust understanding about how this could impact your business. The sessions will include real-life scenarios that pertain to the topic at hand, with on-the-spot problem-solving offered by an MBJ expert. The lunch hour will conclude with a brief Q&A period during which MBJ lawyers will be available to answer your question on the bi-weekly topic.
